her vaccination. *Id.* at 4. Respondent stated that she did not identify any other causes for petitioner's SIRVA, and that the evidence of record demonstrates petitioner has suffered the residual effects of her condition for more than six months. *Id.* Petitioner has therefore satisfied all legal prerequisites for compensation under the Act. *Id.*

In view of respondent's concession and the evidence of record, the undersigned finds that petitioner is entitled to compensation.

IT IS SO ORDERED.
